

COMMUNITY* LAND SCOTLAND

Landownership: Opportunities and
Challenges for Urban Communities

Tuesday 6th March, 12-4pm
Barmulloch Residents Centre
54 Quarrywood Road, Glasgow G21 3ET

Community landownership has been transformative for many rural communities in Scotland. Can it have the same impact in Scotland's towns and cities? Come along to this event to find out about the results of our research into urban community landownership, hear inspiring case studies and take part in a discussion about the future of urban community landownership.

A soup & sandwich lunch will be provided on arrival.
