

# Public Health Reform: Enabling whole system working

**Date:** Thursday 24<sup>th</sup> January 2019

**Time:** 10:00am to 16:00pm

**Venue:** COSLA, Verity House, 19 Haymarket Yards, Edinburgh EH12 5BH

## Outcomes

- Develop a consensus and shared understanding of the challenge and ambition for the wider system to work together to improve health and wellbeing
- Identify the key changes that are needed in the wider system and prioritise the key areas of focus and collaborative action we will deliver to enable whole system working
- Secure leadership and commitment from stakeholders to work collaboratively to deliver our shared ambition for the whole system
